

MEMORANDUM

TO: Mayor and Council Members

FROM: Rosie Truelove, Director, Neighborhood Housing and Community Development Department

DATE: August 23, 2019

SUBJECT: Staff Update to Resolution 20180308-010 Relating to Proposal of a Preference Policy for Distribution of Affordable Housing Units

Neighborhood Housing and Community Development (NHCD) will be extending the response deadline for [Resolution No. 20180308-010](#), related to the distribution of affordable housing units for low- and moderate-income households, to October 25, 2019. Further research is required as NHCD is creating a preference policy to pilot on Austin Housing Finance Corporation units that can be applied more broadly to other types of affordable housing units in the city in the future.
